			(minimum 64 credits AAS Accounting)
		CU Total Credits Accepted: 64 credits	

This agreement specifically allows the transfer of Washtenaw Community College's AAS Accounting degree (64 credits) to Concordia University's Bachelor of Science in Accounting degree. Concordia University will accept up to 75-84 transfer credits. WCC students will need to connect with a CU Advisor to understand which additional WCC courses a student can take to satisfy up to 75-84 eligible transfer credits at CU Inc.
