

HIST153: AMERICAN CIVILIZATION

Course Overview: This course is a survey of the history of the United States from pre-Columbian America to the present. It will explore the political, economic, religious, social, ideological, and artistic influences in the American story.

The course is designed to help students develop knowledge of broad areas of history; an appreciation of the major events in U.S. history; and the skills necessary to read, write and speak about U.S. history and historical writing.
